Surveyor Genl. Office
Cincinnati Feb'y 20. 1834

In reply to your letter of the 11th rec^d at this office
yesterday, I give you the foregoing diagram of
tract in. 20. (west part) and of St. tract sec. 25.
of Town 3^d N. of Ranges 3 & 4. W. 2^d Mer. with
their contents as shown by the Records.

I have attempted to recalculate the contents of
these fractions from the original notes, but find the
Survey thereof has been so loosely made and re-
turned that it is impracticable to make an ac-
curate calculation of the quantity of land contained.

The contents as stated on the plats must, without
doubt, have been assumed.

Yours Obedt. Servt.
